8. EVALUATION CRITERIA

Competing entries will be evaluated by the jury of the SMART LOGISTICS & PACKAGING AWARDS 2022 in terms of:

- Innovation
- Leadership
- Disruption
- Strategy

9. EVALUATION PROCESS

STAGE 1

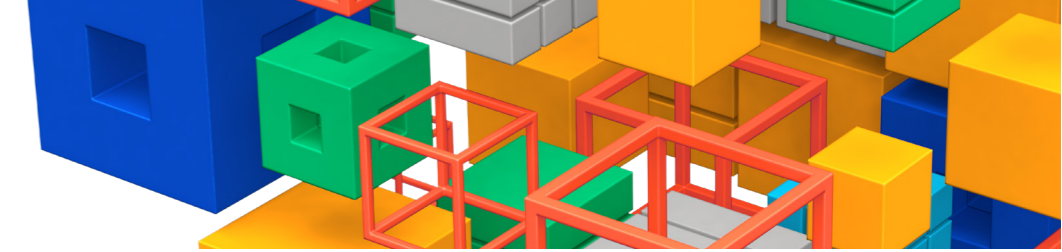

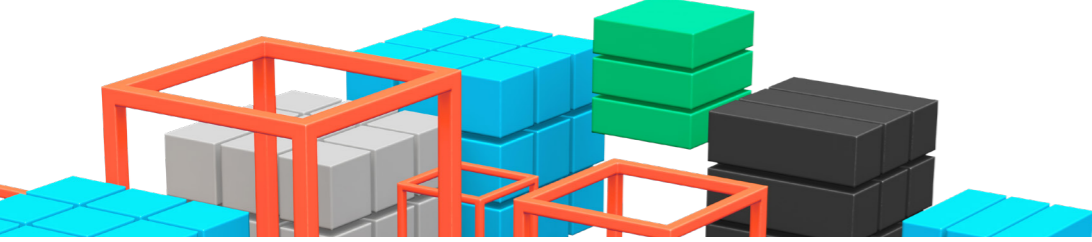

Compliance with the rules and pre-selection: the organization and the Technical Committee of experts will carry out the first evaluation to check that each of the applications meet the technical characteristics and fulfil the defined selection criteria.

The evaluation process will be carried out by the members of the International Committee of Experts on an individual basis and will serve to choose the finalists in each of the categories.

The shortlisted candidates will be informed as of **21 January 2022**.

Proposals that exceptionally require it will be requested to complement the information.

STAGE 2

Selection of the winners: The International Committee of Experts will meet in the days prior to PICK&PACK 2022 and will evaluate the finalist projects and select the winner in each of the categories.

The finalists will be invited to the **SMART LOGISTICS & PACKAGING AWARDS 2022** Gala Awards Ceremony on 9 February 2022 where the winner in each category will be announced.

Any category of the award may be declared void by the International Committee.

10. COMMUNICATION OF THE PRE -SELECTION

Shortlisted candidates will be informed the week of **January 21, 2022**.

11. AWARDS

The **SMART LOGISTICS & PACKAGING AWARDS 2022** will award the winners with the following prizes:

- Dissemination of the prize won to all accredited general and specialized media at **PICK&PACK 2022**.
- Commemorative trophy as winner in its category.

12. INTELLECTUAL AND INDUSTRIAL PROPERTY RIGHTS

Participants are responsible for the authorship of the proposal submitted, owners of the intellectual and, if applicable, industrial rights. The participant undertakes not to violate intellectual property rights, copyright and/or image rights, and assumes full responsibility for third parties. The organization is released from all liability.

If the proposal is a finalist, the participant authorizes the organization to disseminate, reproduce and publish his/her proposal in any format and by any means to publicize the **SMART LOGISTICS & PACKAGING AWARDS 2022**.

13. DATA PROTECTION

Due to the confidential nature of the information provided, the organizers, the coordinator and the members of the International Expert Committee of the awards guarantee to keep the identity of the participants and the content of their projects outside the sphere of the **SMART LOGISTICS & PACKAGING AWARDS 2022**. This also includes any information on their current status or development.

Once the project is selected as a finalist, the award organizers may make public all details considered public (name of the project, responsible organization, person in charge, web pages, description, purpose and category).
